TOTAL RECREATION ENRICHMENT CLUBS

Clubs offer Recreational Enrichment opportunities for youth that will contribute to their physical, social and mental needs as well as address the developmental needs of the participants. Activity classes include fun & games, art & crafts, sports & fitness, events, guest speakers and excursions. Program benefits include self-esteem building, positive interaction, and an opportunity to play in a safe and supervised environment. Program times are listed below the site descriptions. Please send a lunch, including a drink with your child daily. Programs for all ages will be closed on Tuesday, July 4th in observance of the Independence Day Holiday.

Drop in Program Philosophy

The drop-in program philosophy is to allow children to come and go as they wish. During most program days, participants may arrive at any time after the program begins and they may depart at any time without signing in or out. The orientation meeting will provide valuable information regarding the Total Recreation Enrichment Club program. **Attendance at the Parent Orientation is mandatory. Check your registration receipt for details on Orientation meeting times and locations.**

Youth must be the appropriate age by the first day of the session.

ADA Accommodations

The City of Scottsdale encourages participation by everyone. If your child has special needs and wishes to participate in our programs, we will be happy to make accommodations to meet your child's needs. Adapted Recreation staff will assist children with disabilities in participating in integrated recreation activities such as arts & crafts, indoor/outdoor games, cooking, creative expression, and special events. Smaller staff ratios, activity accommodations and emphasis on social and leisure skill development with non-disabled peers are unique aspects of these programs. An assessment of your child may be required for accommodations. Adapted Recreation Services requires a minimum of 14 days notice for accommodation requests.

YOUTH CORPS TEEN VOLUNTEER PROGRAM

The Youth Corps is a summer teen volunteer program for middle through high school teens. Volunteers can explore career opportunities, give back to the community, and receive school credit (with prior school approval). Opportunities are available in City of Scottsdale offices, recreation centers, citizen service centers, pools, and senior centers.

These young leaders are encouraged to be responsible and accountable for their actions, beginning with sending in an application to the Youth Corps office. The teens are then interviewed and placed at a site determined by several selection factors. From there, volunteers must attend orientation before they begin "working" 10-20 hours a week during the months of June and July.

Total REC – Assist recreation leaders who run a day program for children ages 6-11. If you like kids this is for you!

Aquatics – Volunteer alongside lifeguards to help keep the pool safe. You can get involved with kids during swim lessons and take a Jr. Lifeguard class!

Office Positions – Mature teens that enjoy working in business environments like this type of volunteer work.

Senior Centers – If you love working with the elderly this job is for you! Assist recreation leaders with daily activities.

Service Team – The service team gives teens an opportunity to contribute to the community through various service projects throughout summer.

To apply, send in an application by April 30th. Available through mail, e-mail, or online: <http://scottsdaleaz.gov/volunteer/ParksRecreation.asp>

** Volunteer positions are not guaranteed; placement is based on meeting selection criteria as well as the needs of the program.*
